

Part of the Flyte Microsoft 365 App Suite

Expenses App

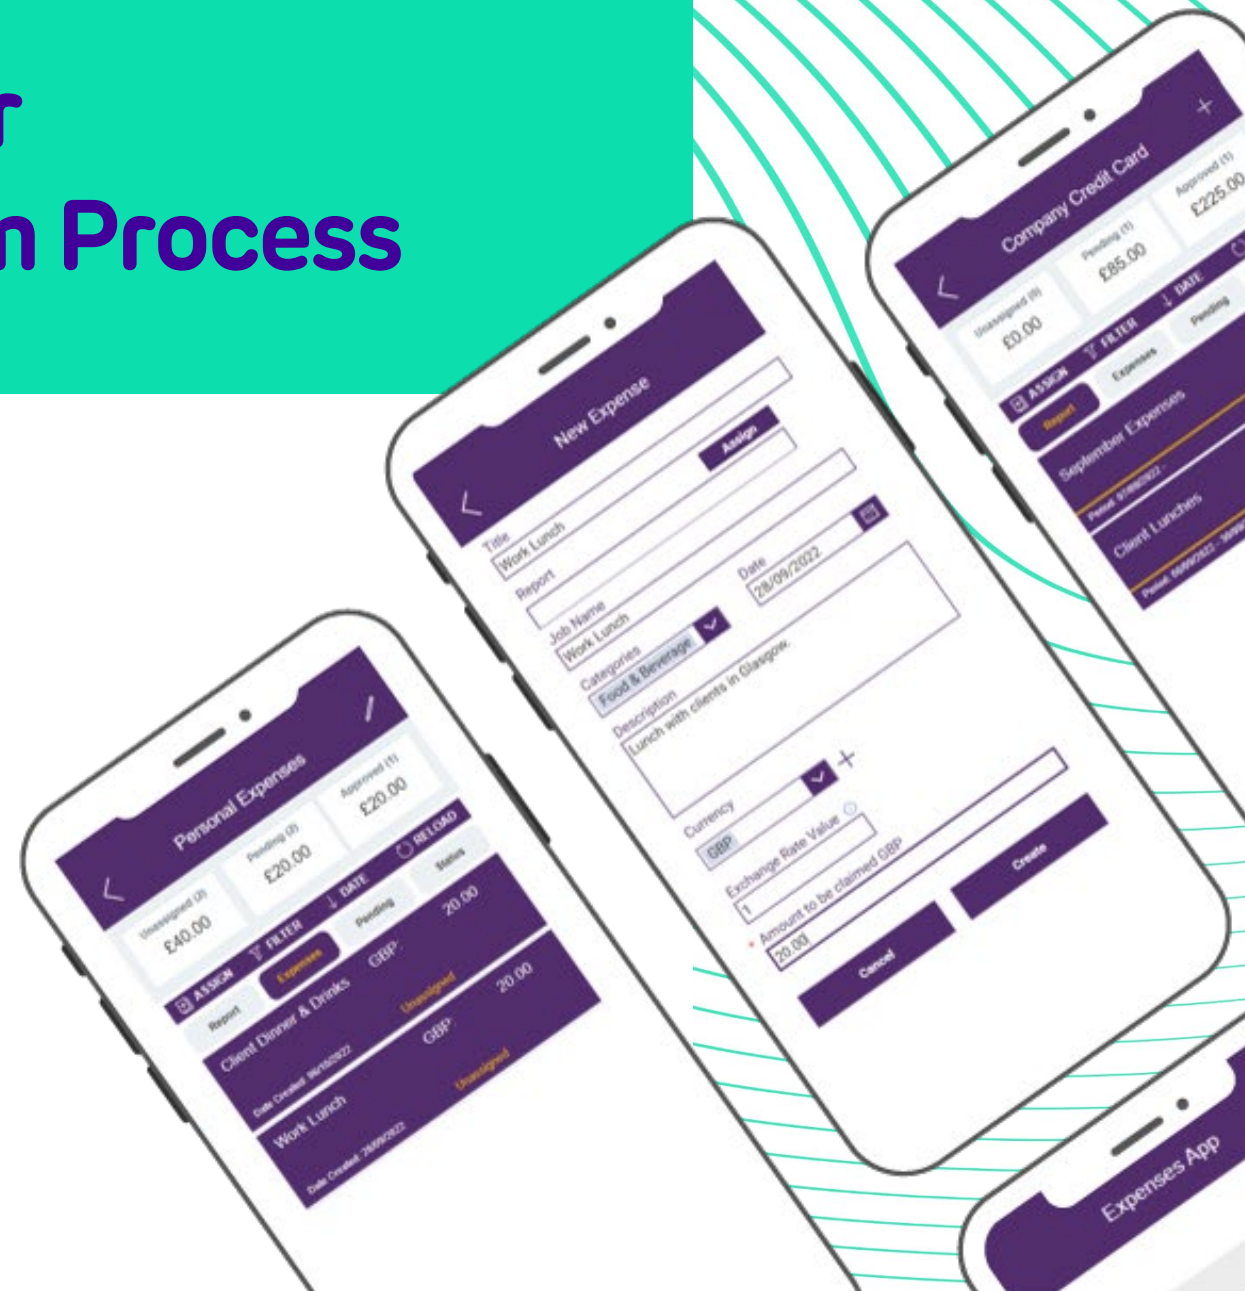

Digitally Transform Your Employee Expense Claim Process

Easily Submit and Respond to Expense Requests

Our Expenses app gives your employees the ability to quickly and easily submit personal, mileage, and company credit card expense requests. It also allows your finance team to efficiently track and respond to requests.

Developed using Power Apps and embedded within the Microsoft 365 ecosystem, the app has been proven to improve efficiency and productivity.

Reduce Time Wasted on the Expenses Process

Quickly submit Expense requests and track the progress

Reduce the need for employees to keep and store paper receipts

View a record of approved expenses

Areas for personal, mileage, and company credit card requests

Improved security and audit features

Reduce finance administration time required
